HR Advocate Subscription Fact Sheet

HR Help Desk Personalized Support

Unlimited access to our HR Advocate Help Desk via telephone or email provides you with personalized HR support for any HR issues or concerns that you need assistance with. You will never have to call an 800 number and talk to a stranger again.

HR & Benefits Library and Daily News

Access our HR and Benefits Library and Award-Winning Business Compliance Resource Center. This comprehensive library of HR and Benefits information, provided by HR360, fulfills the needs of human resource professionals and employers nationwide by delivering fast, accurate information when and where you need it.

Live and Recorded Webinars

Through live Webinars, employers can increase regulatory knowledge, keep up-to-date on market trends, and get the information you need to boost your company's productivity, streamline human resources and benefits processes, and increase your ROI. If you miss any of our Webinars, access the recorded sessions in the Webinar archive to view on your schedule.

HR Training Videos

Videos to help make the world of Human Resources easier to understand...now that's refreshing. Employers can access more than 50 videos that rotate on a monthly basis covering topics like ERISA, FMLA, HIPAA, Legal Aspects of Interviewing, and much more.

Email Alerts & Monthly E-Newsletter

Sign up to receive an email alert when new content like a Webinar or a new HR & Benefits Law Alert is available on the site. Monthly HR E-newsletters will be delivered to your inbox automatically.

*Monthly and annual rates are available based on the size of your organization.
